**From the Dean.....**

Dear Members and Friends,

Our 2019-20 season has sped by quickly with a multitude of events, concerts and worships to participate in and to attend.

We are pleased to report that the Revised Operating Procedures for our chapter have been approved at both the regional and national levels. A hearty thank you to you, Dwane Grace, and to your sub-committee's work for the successful completion of this year long project.

Our "Pass It On" used organ music project is a "work in progress". Please see the accompanying article by Craig Cramer (Notre Dame, IN) which explains what organ music he will buy and under what conditions.

Wayne Leupold (Leupold Archives) has expressed interest in receiving donations of organ music for your tax deduction purposes. His instructions are:

"Simply ship it to us firmly packed in cardboard boxes. The cheapest way is USPS media mail. Within three months of us receiving it, we will send you a complete list including each item you have sent, for your tax deduction purposes. Send the boxes to the address below. Thank you for your interest in our preservation of the culture of the pipe organ."

We are also awaiting responses from various professors and SE Regional AGO, and will share information as we learn it.

There are two remaining chapter sponsored events which I hope you will attend. Please see these under "Local Events".

Within this Montre please find two pieces of information about our exciting Trenney-led Festival of Sacred Music planned for the weekend of Jan. 25-26, 2020.....1. the Trenney poster for you to copy and distribute to your choir members and parishioners and 2. a copy of the repertoire for the program.

A blessed Easter season to you all,

Nancy
