

Dean's Message for December 2018

From the Dean

Nancy Siebecker

Now is the time to check the Chapter and Community Events tabs on our website, agosm.org, for a myriad of sacred music concerts that will be presented in our communities this Advent season. Note the Sarasota Young Voices Concert on Sunday, December 9, that we co-sponsor....**SYV** is a remarkable community children's choir for school-aged singers.

We are extremely excited to announce the engagement of **Tom Trenney** to be our clinician for our **Festival of Sacred Music** January 25-26, 2020.

If you are a choir director, please tell your singers about this exciting event and plan to participate. We will have a large festival choir so save the weekend now! See more information from sub-dean Jim Walton under AGO Chapter programs in this newsletter.

We hope you will begin the new year by joining us for our second **social-trivia evening on Monday January 7** at Faith Lutheran, Sarasota.....a time for relaxation, camaraderie, treats and fun musical minutia.....rsvp to Janet Davis janmato10@icloud.com
