

Dean's Message for November, 2017

What a great opening event we had on October 13th with 50+ in attendance at a luncheon at First Presbyterian Church, Sarasota. In addition to a presentation about the church's new organ by hosts Steven Phillips and Mary Mozelle, we heard a short history of the chapter and several longtime members shared memories of past experiences and events. There was also time to visit with colleagues and meet new folks.

As our anniversary year continues I hope you will look at the calendar of chapter events in the monthly *Montre*, posted on our website agosm.org, and also in the center of our printed Membership Directory. We have some impressive events scheduled for our anniversary year that you won't want to miss. Take time right now to add them to your personal calendar.

Looking forward to seeing you at the upcoming events,

Dwane
