

Dean's Message for October, 2017

Robert Burns said it best – ***“The best laid plans of mice and men often go awry...”***

Yes, an uninvited and unwelcome visitor to Sarasota and Manatee Counties certainly disrupted our plans for our September anniversary gala. We might have thought we had all the bases covered, but Hurricane Irma decided to pay a visit and that was a contingency we couldn't control.

As I write this – attempting to meet today's *Montre* submission deadline – we have not yet been able to reschedule the 60th anniversary luncheon. It's quite possible that we will have the luncheon rescheduled in the next day or two. If so, we'll insert the luncheon date and reservation deadline in before the *Montre* “goes to press.”

Otherwise, we will send out an email with all the details!
