Position open for Worship Director, St. Paul's Presbyterian Church, North Port, Florida

The worship experience of our congregation at St. Paul's should be a wonderful blend of inspiring music and the holy Word. The Worship Director, in demonstrating joy, love of music, enthusiasm and energy (in addition to musical skills) is central to accomplishing this goal each Sunday. This requires aptitude for assertive direction of the choir and other parts of the service in a pleasant and harmonious way. The worship director will be in charge of the worship, including such things as timing, flow, and sound.

Our music at St. Paul's has been very traditional. Looking forward, we want to broaden the portfolio of music to better appeal to younger visitors and future members. The mind-set and outlook of the Worship Director should aid us in developing a strategy for attracting such younger people.

Duties:

- With the Pastor, select the worship music for Sunday service.
- Schedule choir rehearsals and rehearse.
- Direct the choir and play the piano at the single Sunday service. (Use of accompaniment CD's is permissible.)
- Assure the smooth flow of the service elements. Set
